

Transportation Security Administration

Agenda

Confirm-ID

CMAP

LEOFA

TSA Pre-Check Touchless ID

TSA Cares

TSA Gateside by Pre-Check

Counter UAS

Confirm-ID

Alternative identity verification option

- No REAL ID or passport
 - a. Option to pay a \$45 fee to confirm your identity
 - b. Prior to arrival or via QR code at the checkpoint
 - c. Good for 10 days
- 6% of daily pax, 2.5 million pax daily, 150,000 over 440 federalized airports – **still present without Real-ID**

Crewmember Access Point™ (CMAP)

Expiration of the current Known Crewmember (KCM) contract

Operational risk considerations – Insider threat

TSA's statutory responsibility - control to sterile areas

Faster process - dedicated computer interface

Law Enforcement Flying Armed Program

LEOFA Pass - Flying armed or conducting an armed escort.

- Law enforcement agencies include FBI, DEA, ATF, Bureau of Prisons (BOP), US Marshal Service (USMS), CBP, ICE, U.S. Secret Service (USSS), TSA Investigations, TSA FAMS, Local and State LE.
- Not every LEO is aware and using LEOFA Pass - TSA is aggressively socializing
- Faster processing & Minimal detection for FAMS

TSA PreCheck® Touchless ID

Enhances the security screening process with facial comparison technology and dedicated lanes for faster, more efficient identity verification.

Requirements:

- Current TSA PreCheck traveler
- Valid passport
- Active airline profile with a participating airline
- Google Wallet

TSA Cares program

Modified procedures to ensure that your screening experience is smooth and seamless. **Checkpoint only.**
